

Are you being investigated by ODHS?

We May Be Able to Help

Family Defense Project

FDP provides **free**, short-term legal representation aimed at legal issues and needs to keep children out of foster care.

In addition to helping you during a child welfare investigation, we may be able to assist you with:

- Restraining orders
- Short-term family law issues
- Navigating child welfare issues
- Safety planning
- Accessing community resources

Contact us for a **free** screening to determine eligibility
