## Your donation can help

You can help two local charities with the donation of one vehicle. We will split the profits 50/50 and there is no out of pocket expense for you. We take running and non-running vehicles. (Some restrictions apply)

Fill out the donation form on our website and we will help get the tow set up for you. Have more question contact Amy Brookhouse at 971-727-7645 or email [vehiclesgroup@voaor.org](mailto:vehiclesgroup@voaor.org).
